

LOGIC MODEL 2017 – 2022

MISSION: *The Lenawee Substance Abuse Prevention Coalition will reduce substance use and abuse among youth through collaborative planning, program development, community action, and public education.*

Theory of Change

When a community comes together and implements multiple strategies to address young adult use of alcohol and drugs in a comprehensive way, young adults will be more likely to use less.

Goal One: Enhance collaboration and the capacity and knowledge base of the coalition in support of the mission of the Drug Free Communities Grant.

Problem Statement			Strategy	Activity	Short-term Process Outcome(s)	Responsibility & Resource(s)	Objectives	
Problem & Data	But Why?	But Why Here?					Intermediate	Long-term
<p><i>Lenawee County Stakeholders are not fully engaged in the prevention and intervention of substance abuse within the community.</i></p> <p><i>Meeting attendance and membership does not reflect comprehensive sector and partner representation.</i></p>	<p><i>Some Stakeholders are not aware of the importance of their roles in impacting the use alcohol and drugs in the community, especially among youth.</i></p> <p><i>Stakeholders have their own full-time jobs and know that the Coalition staff are able to do the work when necessary</i></p>	<p><i>History of inconsistent productivity of meetings</i></p> <p><i>Stakeholders need to have defined roles and tasks</i></p>	<p><i>Provide Information:</i></p> <p>Increase awareness and knowledge about issues involving substance abuse, and ways that Coalition members can become involved.</p>	<p><i>Establish guidelines and orientation for the roles of the Coalition members, including assessment data, strategic plan and current action plan.</i></p> <p><i>Publish an annual report to the community.</i></p> <p><i>Maintain Coalition social media sites.</i></p> <p><i>Provide Informational Forums for the community.</i></p> <p><i>Disseminate information at community events.</i></p> <p><i>Maintain Coalition Web page on the Fiduciary Agent's website.</i></p>	<p><i>Knowledge will increase about community substance abuse issues such as trends, risk factors, services, supports, laws and consequences.</i></p> <p><i>Coalition will become a known community information resource.</i></p> <p>DATA:</p> <ul style="list-style-type: none"> <i>Attendance at Coalition meetings</i> <i>Community Survey</i> <i>Social Media "hits"</i> <i>Number of units distributed</i> <i>Website hits</i> 	<p><i>Coalition Coordinator, Coalition Membership, Coalition Executive Committee</i></p>	<p><i>The number of Coalition members will increase to include signed membership from all twelve-community stakeholders.</i></p>	<p><i>Community Stakeholders will implement activities to sustain the work of the Coalition.</i></p> <p><i>By 2022, the Coalition will have an established membership of community stakeholders from all 12 Drug Free Community identified sectors.</i></p>

Theory of Change

When a community comes together and implements multiple strategies to address young adult use of alcohol and drugs in a comprehensive way, young adults will be more likely to use less.

Goal One: Enhance collaboration and the capacity and knowledge base of the coalition in support of the mission of the Drug Free Communities Grant.

Problem Statement			Strategy	Activity	Short-term Process Outcome(s)	Responsibility & Resource(s)	Objectives	
Problem & Data	But Why?	But Why Here?					Intermediate	Long-term
			<p><i>Build Skills:</i></p> <p>Increase advocacy skills for coalition members.</p> <p>Increase advocacy skills for SPLT School advisors and administrators.</p>	<p><i>Engage and educate volunteers to represent the Coalition in the community with update summaries.</i></p> <p><i>Provide quarterly substance abuse related educational presentations.</i></p> <p><i>Provide training to school staff and superintendents.</i></p>	<p><i>Coalition members will champion the mission of the coalition out in the community.</i></p> <p><i>Coalition members will increase knowledge of new and emerging trends in substance abuse.</i></p> <p><i>DATA:</i></p> <ul style="list-style-type: none"> • <i>Pre and Post Surveys</i> 			
			<p><i>Provide Support:</i></p> <p>Link Coalition members to resources and supports.</p>	<p><i>Provide informational networking emails to the Coalition.</i></p>	<p><i>Coalition members will promote community awareness of resources.</i></p>			
			<p><i>Change Policy and Rules:</i></p> <p>Formalize the coalition's organizational structure.</p>	<p><i>Establish an Executive Committee.</i></p> <p><i>Establish by-laws, MOU's, and Coalition Commitments.</i></p>	<p><i>Coalition members will be engaged in leading the prevention and intervention of substance abuse in Lenawee county.</i></p>			

Theory of Change

When a community comes together and implements multiple strategies to address young adult use of alcohol and drugs in a comprehensive way, young adults will be more likely to use less.

Goal Two: Develop an environment that will decrease alcohol use among Lenawee County youth by 4% by 2022.

Problem Statement			Strategy	Activity	Short-term Process Outcome(s)	Responsibility & Resource(s)	Objectives	
Problem & Data	But Why?	But Why Here?					Intermediate	Long-term
<p>Too many young people in Lenawee County are engaging in underage drinking.</p> <p>MIPHY 2015/16 by grade:</p> <p>30-day Use: 7th 7.9% 9th 15.1% 11th 26.2%</p> <p>Lifetime Use: 7th 9th 36.5% 11th 54.2%</p>	<p>Cultural norms</p> <p>Youth have access to alcohol.</p> <p>Youth are unaware of dangers of alcohol to health and well-being</p> <p>Parents and adults are unaware of the risks of underage drinking</p> <p>MIPHY 2015/16 by grade:</p> <p>Perception of Risk or Harm: 7th 56.5% 9th 60.5% 11th 64.6%</p> <p>Perception of Parental Disapproval: 7th 97.1% 9th 94.9% 11th 92.8%</p> <p>Perception of Peer Disapproval: 7th 88.7% 9th 74.4% 11th 65.8%</p>	<p>Drinking alcohol is seen as a social activity at most community and family gatherings.</p> <p>Youth have access to alcohol from parents, siblings.</p> <p>Parents and adults host parties with alcohol for youth.</p> <p>Youth are able to purchase alcohol from retailers.</p> <p>Lack of education/information.</p> <p>MIPHY 2015/16 by grade:</p> <p>Of those who drank, they got the alcohol by giving someone money: 7th 6.6% 9th 12.7% 11th 19.9%</p> <p>Of those who drank, they got the alcohol by someone else giving it to them: 7th 37.7% 9th 35.1% 11th 48.0%</p>	<p>Provide Information:</p> <p>Increase knowledge regarding alcohol issues among youth and parents.</p>	<p><i>Provide information on the consequences of underage drinking to area schools for dissemination.</i></p> <p><i>Maintain social media information dissemination, including Do Your Part videos.</i></p>	<p><i>Knowledge regarding the risks, laws and consequences of alcohol abuse will increase.</i></p> <p>DATA:</p> <ul style="list-style-type: none"> • Pre- and Post-surveys. • Social Media “hits” • Number of items distributed. 	<p><i>Coalition Coordinator, SPLT Coordinator, Schools, Youth from SPLT Teams, Health Department Staff, Law Enforcement</i></p> <p><i>Material development and printing, Youth Campaign Stipends, Vendor Education materials, After-prom stipends, postage for letters</i></p>	<p>Adults will not provide access to alcohol for youth</p> <p>Percent of youth who report that they received alcohol by someone else giving it to them will decrease by 5% by 2020.</p> <p>Percent of violations of alcohol compliance checks will decrease by one-fourth the 2017 rates by 2020.</p>	<p>Alcohol 30-day use rates for youth in Lenawee County will decrease by 4 % by 2022.</p> <p>Perception of risk or harm of youth will increase by 4% by 2022.</p> <p>Perception of parental disapproval will increase by 2% by 2022.</p> <p>Perception of peer disapproval will increase by 4% by 2022.</p> <p>Percent of youth who report that they received alcohol by someone else giving it to them will decrease by half of the 2015/2016 MiPHY rates by 2022.</p> <p>Percent of violations of alcohol compliance checks will decrease by half of the 2017 rates by 2022.</p>

Theory of Change

When a community comes together and implements multiple strategies to address young adult use of alcohol and drugs in a comprehensive way, young adults will be more likely to use less.

Goal Two: Develop an environment that will decrease alcohol use among Lenawee County youth by 4% by 2022.
